### KIWANIS - CHRISTIAN PRINCIPLES BRING GREAT RESULTS

April Fools' Day, or All Fools' Day, a custom which dates back to the Middle Ages, is a day when one is privileged to play harmless jokes on one's friends or "make fools" of them.

Announcement: President Wolf says that since he cannot be in town next Wednesday, and further because assistant President, V. P. Luhrs, refused to substitute for him that day, and further because our Program Chairman, Ed Colton, didn't have time to arrange a program for next week, and finally because ex-President "Smythe" didn't feel like pinch-hitting for everybody, there will be no meeting of Kiwanis this year on April 1st.

P.S. April Fool! April Fool! ha ha!

PROGRAM, APRIL 1, 1970 Due to the fact that the Bulletin went to press a day earlier than usual I was unable to locate our Program Chairman in time for the scoop on our speaker. It is my understanding, however that a program has been arranged -- gee whiz, I hope the announcement above is not prophetic of events to come. If so April Fools on all of us -- and pity ye Roosevelt Inn.

Easter - for many of us it is difficult to think of Easter as a festival. However it is a festival commemorating the resurrection of Christ; and to start with it was regarded as continuing the feast of the Passover -- a time when the lamb, a symbol of Christ, was sacrificed. Our present usage stems from the Anglo-Saxon "EOSTRE" -- a goddess of light or spring. After much controversy as to the time to celebrate Easter (guess people of any era can disagree) it was resolved by the Council of Nice in 325. Easter was fixed on the first Sunday after the full moon which happens upon or next after March 21. As a side comment wouldn't it be good for us if more of today's councils could resolve problems by establishing, and accepting, rules which would stand for 1645 years and continue to serve mankind?

May the joy of Easter be with you and your families as you celebrate and participate in this important Christian festival; may your faith be renewed; and may He give you strength of mind, heart and body to meet every daily challenge in the year ahead.

### Committee Chairmen:

Is this enough of a reminder for you? We all thank you for doing your part to keep Kiwanis going strong.

Bowling Bits: Forest Wolf, last Monday, earned the "Bowler of the Week" award by rolling three games averaging 215 pins per game. That's a lot of wood. Congratulations, Mr. President, on your performance.

Olympics: Kiwanis scored a total of 184 points -- ended up 8th in the standings. Only 26 members attended the evening dinner. Coach Mueller thanks all of the participants - and extends an invitation now to all to start training for next years' events.

*The wheel was one of man's greatest inventions - until he got behind it.*

*Consider the pin, its head keeps it from going too far.*

*Thank you, our lovely Queens, for helping to promote and foster the Easter Parade; you are all living dolls and we Kings really do appreciate what you do to bring Spring to our hearts. Happy Easter!*

## K I W A N I S - WE THRIVE ON CONCERN FOR OTHERS

In our Country when you hear or see the word "Save," it is usually the beginning of an advertisement designed to invite you to spend money.

### PROGRAM FOR JULY 1, 1970.

President Wolf and Veep Colton have just returned from the Kiwanis International Convention in Detroit, Michigan. They will present their report of the convention and, hopefully, they will report a little on each other's "after convention escapades" to add the spice. With these two officers representing our Club you can be sure we will be in for a report and a half. Do come hear about Kiwanis in action on a nation-wide scale through the eyes and singing chords of our illustrative, industrious convention representatives.

Guest book was signed by the following:

Mr. Calhoun, introduced by Mike Kennedy;

Mr. Bromfield, introduced by Orrie Lawrence;

Mr. Ohsman, introduced by Roy Stoddard.

Memo to Committee Chairman: The middle of next week rings in July and all its glory. Hope you all can find time this weekend to complete your Club reports and thereby earn your glory for June.

Thought from Florida via Coral Ridge Towers Bulletin and the special courtesy of Clyde Sanborn. Clyde is, indeed, a live Kiwanian and a real inspiration to everyone fortunate enough to cross his path.

*"Take time to:*

*Think - it is the source of power.*

*Read - it is the fountain of wisdom.*

*Play - it is the secret of perpetual youth.*

*Work - it is the price of success.*

*Be friendly - it is the road to happiness.*

*Laugh - it is the music of the soul.*

*Love and be loved - it is a God-given privilege.*

*Give - it is too short a day to be selfish.*

*Pray - it is the greatest power on earth.*

*Grow old gracefully - these are your golden years."*

*Opportunity knocks once - but unfortunately temptation keeps hammering.*

*Most of us keep one eye on the temptation we pray not to be led into.*

It was pleasant sharing these Kiwanis minutes with you. Trust your summer hours in the week ahead, both at work and play, will be comfortable and productive.

Queens to Kings: "I love you, doggonit!"

K I W A N I S - WE'RE FOR WORTHWHILE LIVING

## TRAVELER'S NOTE:

The West Des Moines Kiwanis Club is sponsoring their annual Arts and Music Festival July 10th and 11th. A cordial invitation is extended to participate in the festival in Des Moines at one of their ballrooms.

## PRESIDENT'S NOTE:

Mr. Wolf requests Kiwanis Board Members to attend regular board meeting next Tuesday noon at the Roosevelt Inn. Any member, of course, may also attend for make-up attendance, or for the fun of attending. That's July 14th.

## GUEST REGISTER:

Signing in this week were three guests -

Dr. Valentine introduced Jerry Borden of our great U.S. Navy; Don Isett introduced his long-time friend, ex Kiwanis Lt. Gov. Fred Mains, of Mesa, Arizona; and Orrie Lawrence introduced businessman Virgil Bromfield of Cedar Rapids.

## MEMBERSHIP NOTE:

1. We were all glad to see and visit with Tony Pleune. His smile was in evidence and he was glad to take his place among us. The hotel lost money on him today - his lunch would have made any Boy Scout happy.

2. It was announced that Burt Hynden had checked into the St. Lukes Observatory for a "look-see" tour - and for possible minor (?) surgery. Here's a little extra thought - and a thousand extra prayers - for a safe journey and return to your castle sooon.

## PROGRAM FOR JULY 15, 1970:

"Dynamic Convalescence" by Dr. Donald D. Weir, illustrated with color slides.

Gist of this program is that to many, convalescence from illness is a passive thing in which a patient relaxes and rests while nature effects necessary healing and repairs. Rehabilitation, on the other hand, is an active, dynamic process of convalescence in which patients relearn how to walk, reactivate muscles, regain skills, overcome speech difficulties and learn how to live and work with permanent disabilities resulting from sickness or accident.

Hope you can join us next Wednesday for this dynamic program.

*Marriage is terrifying, but so is a cold and forlorn old age.*

## Today's Thought

What makes life worth the living is our giving and forgiving,  
Giving tiny bits of kindness that will leave a joy behind us,  
And forgiving bitter trifles, that the right word often stifles,  
For the little things are bigger than we often stop to figure  
What makes life worth the living is our giving and forgiving.

- - - Thomas Grant Springer

*Overheard at a lunch counter recently: "She has a small vocabulary but a large turnover!"*

## Daffy Definitions-

Cosmetics - Crease paint.

Urban renewal - shack absorber.

Income tax - hauls of Congress.

Lawn party hostess - grass hopper.

Brat - child who is on his pest behavior.

Nothing is impossible to a willing heart. So it is with Kiwanis across the land as we strive to find people in need of a friend. Kiwanis friends are everlasting.

Thanks for your time - have a great week to come - and treat your Queen with gentle tenderness every day.

## KIWANIS - HUMAN KEYS TO HAPPINESS

### OFFICIAL CALL TO FORT DODGE:

President Wolf calls attention to the Golden Anniversary Convention of the Iowa-Nebraska District Convention to be held in Fort Dodge, Iowa, August 16th, 17th, and 18th. Officers of the club are urged to attend and, natch, a hearty-wide-open-door invitation is out for every Kiwanian to attend. If you can go they say it is a good idea to send in the Convention Registration Form included with the July District Bulletin.

### GUEST BOOK:

Our club had three handsome guests this week: (1) Charles McIntyre, (2) Col. Jack Howe, and (3) Wayne Williams. They were introduced by Hon. Forest Wolf, Hon. Howard Smith, and Hon. Albert Gee, respectively.

### INTER-CLUB CONFABULATION:

A golden word invitation was given to us at our meeting by golden (?) voiced Bill Jameson to join the East Side Kiwanis Club next Tuesday noon (July 21st) at "Charlies". We will have an inter-club credit; we will make some new friends; and we'll strengthen the Kiwanis bond. If you are free Tuesday noon come to "Charlies" --4002 First Avenue NE.

### FRANK WILBER REPORT:

We were delighted to get the report that Burt Hynden has completed his tour of St. Lukes Observatory; that he did have a little minor surgery; and that he is back home. The word going around is that Burt made several of his own "observations" and that he will share some of them with us upon his return.

### PROGRAM FOR JULY 22, 1970:

Mr. Milton Carlson, an officer of IE, will bring us a progress report on the Duane Arnold Atomic Energy Center. This huge project, now under way, is truly a giant in our midst designed for our better living--electrically. The concept of atomic power, harnessed for peaceful use is fascinating--almost beyond belief. For most of us ordinary citizens the thought of 150-plus millions of dollars piled up in one plant is in itself staggering; yet aren't we fortunate to be able to personally participate and be a part of this power plant? Hope you can be present for this timely report.

*The trouble with doing nothing is that you can't stop and rest.*

*The latest poll shows that old fishermen never die - they just smell that way.*

*When a habit begins to cost money it is called a hobby.*

I think it would be swell if we all would try to emulate our fine friend, Dr. Jim Downing, by doing as he does because he does what Sir James Barrie says: "Always try to be a little kinder than necessary".

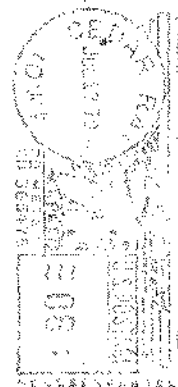

*The bulls and bears aren't nearly so responsible for stock market losses as the bum steers.*

Thank-you for Kiwanis - may your week to come be filled with July joy - and, of course, be especially good to yer ever-lovin' Queen!

### KIWANIS - CIVIC-MINDEDNESS AT ITS BEST

*A chip on the shoulder indicates that there's wood higher up.*

#### INTER-CLUB

The following men attended the East Side Kiwanis Club meeting last Tuesday at Charlie's. We participated in a very spirited meeting-it was a pleasant outing.

Forest Wolf	Joe Greenlief	Bob Matteson
Russ Mueller	George Seyfer	Don Isett
Bill Jameson	Dick Landis	Milan Johnson
Ray Vaughn	Howard Smith	Jim Rasley
Al Gravelle	Howard Vander Schaaf	

#### PROGRAM FOR JULY 31, 1970

The assistant Director, Jane Boyd Community House will be our speaker. Jane Boyd for many years has been a magical name in our community in the interest of genuine understanding among our citizens. Jane Boyd is a human catalyst for us and their many programs are designed to promote participation in projects and thereby foster real understanding between people. You will enjoy this program.

#### NEW MEMBER

Mr. Virgil Brownfield is our newest new member. Welcome aboard, Mr. Brownfield and we'll do our best to help make you a happy Kiwanian!

#### ANNIVERSARY BELLS

Anniversary Bells rang this week for the young and the old (members, that is.) Our salutes and congratulations are for:

Roy K. Stoddard	July 22, 1942
Norril A. Rogness	July 23, 1969

#### INVITATION:

Our sister club in Central City, Iowa cordially extends an invitation to play a game of golf at the Meadow View Golf Club--and for an evening meal with the Central City Club on August 11, 1970. For golf and dinner-\$5.50; for dinner \$2.50. Call Mr. Landis for your reservation.

#### SUGGESTION BOX

It has been suggested that Mr. William J. Jameson, Jr. take the advice of our "fren" Dr. Jim Downing and try to be a little more like Dr. Downing by trying to be a little kinder than necessary.

#### THOUGHTS:

The right mental attitude is better than money in the bank. If you allow your mental wardrobe to become depleted with thoughts of futility, despair and defeat, you are much poorer than you would be with a hole in your coat. The hole in your coat can be mended or replaced by a store of quality but the damage to your mental attitude cannot be mended. The only way to accomplish the best is to study and prepare yourself for the day when your chance to make good comes along. You owe it to yourself to be ready. It is the finest American way--our finest tradition--and the rewards are great.

*In the old days a man who saved money was a miser; nowadays he's a wonder.*

Q: "What do you mean bringing my daughter in at this hour of the morning?"

A: "I have to be at work by seven!"

May Kiwanis be instrumental in helping you and yours have a great week--Nice to have Queens who spur us on with their power of kindness and virtue of patience.

## K I W A N I S \_ THE UNION OF HANDS AND HEARTS

*A man's character is like a fence -- it cannot be strengthened by whitewash.*

### PROGRAM FOR AUGUST 26, 1970.

Mr. Dwight Bode, Supt. of Joint County School Systems will be both our host - and speaker - next Wednesday.

Our luncheon and meeting will be held at the School Systems Building, 4401 South 6th Street. Location is the former International Harvester Building across from Hawkeye Downs. Lunch - \$2.00 - served by Dostal Catering Service.

Plan now to take a buddy and join us for another fine meeting. We can learn a little more about our school system, too. If you should need a ride to and fro there will be cars at the Roosevelt entrances which will depart about 12:15 P.M. See you there!

### ANNIVERSARY BELLS!

This week our salute and congratulations and tip-o'-the-hats go to Mr. O.W. (Orrie) Lawrence. He has been a Kiwanian Builder since August 19, 1931.

*The Law: It has honored us, may we honor it.*

It's pleasant folks like you,  
Who make this world a better place,  
Who always show, whatever comes,  
A cheerful, smiling face!  
So may you find each coming day  
The joy that is your due,  
And may the world you've brightened so  
Smile right straight back at you!

*Experience is never limited, and it is never complete; it is an immense sensibility, a kind of huge spider-web of the finest silken threads suspended in the chamber of consciousness, and catching every air-borne particle in its tissue.*

- - Henry James

*There are so few who can grow old with a good grace.*

*Many of us spend too much time running from something that isn't even after us.*

*Great thoughts come from the heart -- and our Queens are daily recipients of our great and tender thoughts.*

## K I W A N I S - A GUIDE TO SPLENDID LIVING

*In the life of a young man the most essential thing for happiness is the gift of friendship.*  
*Sir William Osler.*

### GUEST REGISTER:

Don Isett introduced Fred Roat from Federal Way, Washington. He was presented with a travelling flag.

Roy Parker introduced Rev. Stephen Roat and we learned that our guest will transfer to our club.

President Wolf introduced Charles McIntyre and Warren Kintzinger.

### CHIMES TIME:

John C. "Mike" Kennedy received our accolade of cheers this week as he celebrates his 28th year of membership.

Athletic Director, Russ Mueller, again extends the invitation to enjoy a game of golf- and evening dinner - at the Meadow View Golf Club with Central City Kiwanis Club as host. Date - August 11, 1970. Call Russ or Dick Landis for your reservation.

### SUGGESTION BOX

For the good of the club - no suggestions!

### PROGRAM FOR AUGUST 5, 1970:

Mr. James Sovern, State Representative of the Junior Chamber of Commerce, will show a film and speak on the subject of "Total Community School Concept." The topic of education is always of interest to us - we need to keep learning. Here is a chance to add to your fund of knowledge.

August is here-- and for our Committee Chairmen that means it's time to report. Bob Bin and the Chicago Headquarters staff will be looking for your activity reports. Thanks again for adding to our growing heritage.

*Horace B. McGrath is pondering over this ad: "Secretary - wants position; no bad habits. Willing to learn."*

*We think she should be hired, dont you?*

*Nobody plans to fail but many fail to plan.*

*It's also possible that blondes prefer gentlemen -- and partial as we Kiwanians are, I think our Queens are a lucky group to have gentle men like us for their Kings. Hope your week to come is fine in every way!*

## KIWANIS - IMAGINATIVE LABORERS FOR AMERICA'S TOMORROW

*Man is at his best when rowing hard upstream.*

### Labor Day

This day, one of our legal holidays, is set aside to honor working people. Again, as it is with most holidays, we will burn it up with rest and recreation in a thousand different ways. Labor Day was made a national holiday in 1894.

Your Board of Directors wishes you all a Happy Holiday!

### Program for September 9, 1970

Mr. Cole McMartin, former newscaster with WMT Radio-TV, and now on the campaign trail as Republican candidate for Representative in the U.S. House of Representatives, will talk, talk, talk to us about problems and problems which need to be solved. Elections are close at hand so plan to be on hand next Wednesday for Mr. McMartin's views on issues of today.

### Wedding Bells:

Former President W. H. Smith, better known as W. Howard Smith, was married a few days ago to Alice Mary Thompson. We wish you the best of everything - and hope you won't mind being only a Vice-President, or perhaps only the Chairman of a committee or two, according to the direction of your new Queen of Hearts.

### Guest Register:

Frank Waples introduced his son, Prof. Elliott Waples, of Fort Collins, Colorado.  
John Palmer (alias Dapper Duke) introduced Major Dean Adney, of the Cedar Rapids Salvation Army office.  
Bill Jameson introduced fellow Kiwanian James Riley from the Marion, Iowa club.  
Roy Parker introduced Pastor Steven Root, of Cedar Rapids, Iowa.  
Veep James Luhrs introduced Ron Rabey of Cedar Rapids, Iowa.

### Board Meeting: September 8, 1970

Word is out that President Forest Wolf has promised to attend this Board of Directors meeting and V.P. (clean mouth) Luhrs has indicated the meeting has some interesting possibilities. The place: Hotel Roosevelt mezzanine at 12:15 p.m.

### Special Call - Special Reminder

All Committee Chairmen are requested to return the manilla folders issued at the beginning of Kiwanis year to Secy. Bob Birr for refills preparatory to issue to the new committee chairmen. Suggested you take out blank forms required for your September reports and turn in the folders so Bob can do his work now. Thanks for your cooperation.

### A Thought

*You can do anything if you have enthusiasm. Enthusiasm is the yeast that makes your hopes rise to the stars. Enthusiasm is the sparkle in your eye, it is the swing in your gait, the grip of your hand, the irresistible surge of your will and your energy to execute your ideas. Enthusiasts are fighters. They have fortitude. They have staying qualities. Enthusiasm is at the bottom of all progress: with it there is accomplishment. Without it there are only alibis. - - - - - Henry Ford*

Boy to boy comment: "I was in a phone booth talking to my girl, but someone wanted to use the phone, so we had to get out."

Only one thing makes a woman dangerous -- a man. Hmmm! We Kiwanians like the challenge of living dangerously. Have a good week to come!

## K I W A N I S - WHERE LIVING IS AN ART

### IN MEMORIAM

*And, as the path of duth is made plain,  
May grace be given that I may walk therein,  
Not like the hireling, for his selfish gain,  
With backward glances and reluctant tread,  
Making a merit of his coward dread. —  
But, cheerful, in the light around me thrown,  
Walking as one to pleasant service led;  
Doing God's will as if it were my own,  
Yet trusting not in mine, but in his  
strength alone!*

-- John Greenleaf Whittier

Edwin J. Bruns - 12-12-1898 to 9-8-1970.

It is with great pride, and with great humility, that these thoughts on one of our truly great citizens, on behalf of our Kiwanis Club, are put into print. Actually, in my opinion, words alone simply are incapable of capturing the artful warmth of this gentleman.

He was a man who knew for certain that his home was his center of life - that one's home is the axis of the heart. His home and his devotion to his family was important to him because he believed in developing family affections; he helped his children and grand-children love and learn; he and his wife toiled together to make life a blessing.

Edwin Bruns was a man who loved and believed in his "job". He seemed to know what God's job for him was in this world and he diligently and cheerfully worked every day to fulfill his purpose. He was true to his task -- and he was true to himself.

Edwin Bruns was a man who believed in his fellow-man; he was instrumental in urging us all to look around every day and stop to appreciate the beauty of life as a means to making progress; he was a man who believed in his country and he did his utmost, as we should also, to make it the best country in the world; and he believed in today because he knew that the past was of value only insofar as it could make his day "today" fuller and freer.

I am satisfied that our loyal friend, this wonderful Kiwanian, understood that our lives are a pilgrimage. Few men will be able to leave so much lasting beauty as this talented artist. Now that life's journey is over for him I like to think he was one whose life never lost the zest and enchantment for adventure; I like to think he satisfied his main ambitions; and I do believe he was a good and faithful servant. It is comforting to think he has found a resting place of beauty which gives refuge to his soul. For Ed Bruns beauty was an all-pervading presence; his life and teachings will continue to keep us alive and help us to appreciate our beautiful universe.

### Program for September 16, 1970

O. W. "Curly" Lawrence, one of our long time members, will speak to us about his experiences with Tovar and other people in Russia. Plan to be there - I think we may get some "Ripley type" information.

*A persons' worth to his community cannot be measured in terms of dollars and cents.*

## K I W A N I S - A KALEIDOSCOPE OF ACTIVITY

*When I find myself strongly inclined to pity a criminal, I am compelled to remember that there is likewise pity due the country and its people.*

Guest Register: Today was, literally, "America Day" because guests were here from Tacoma, Washington, New York, Allegheny College, Pennsylvania, Kent, Ohio and Steamboat Rock, Colorado.

Ralph Drescher introduced Dr. John Bruns, son of our beloved Ed Bruns.

Don Isett introduced Major Eugene Adney. Dick Landis introduced Robert Butterfield. Russ Mueller introduced Larry Wickman. Dr. Valentine introduced his brother, Major Ron Valentine, Air Force, enroute to an assignment in Libya. Charles McIntyre introduced his son, Glen, who is President of his Circle Key Kiwanis Club at Allegheny College, Penn. Al Gravelie introduced Bill Crissman. W. H. Smith introduced O.J. Elsenbast. O. W. Lawrence introduced Frank O'Neal. President Wolf introduced Joe Stenner, a former member now back in Cedar Rapids and who will again be a member.

Edwin J. Bruns Memorial Fund Ralph Drescher, P.O. Box 351, Cedar Rapids, Iowa, 52401, is the address you may use to send your memorial donation for Mr. Bruns, if you so choose. The memorial is being established to assist one or more Eastern Iowa students to study at the Chicago Art Institute.

Kiwanians and friends have already donated over \$500.00.

Induction Ceremony Mr. Robert Blinn made a sparkling presentation of Kiwanis materials and pins to the following new members. Each new member is waiting to meet "you" - so use your best convention manners to meet these men sooooooon.

A special "Hi" from the gang, Tony! Tony Pleune is in St. Luke's Hospital for rest - has a little difficulty with balance. If any of you can find a few minutes to share with him I know you will come away refreshed. Tony's smile and courage rubs off on everyone.

Program for September 23, 1970 Ed Colton will present a program pointing out some of the highlights of our Golden Anniversary Year - and recall some humorous incidents along the Kiwanian way.

Ten of our members attended the Marion Club meeting this week to assist in the installation ceremony of Mr. Ralph Mills as Lt. Governor of our district.

Kiwanis Kings are in agreement with the following proposition: LOVE IS ETERNAL.

*"It is a splendid thing to think that the woman you really love will never grow old to you. Through the wrinkles of time, through the mask of years, if you really love her, you will always find the face you loved and won. And a woman who really loves a man does not see that he grows old; he is not decrepit to her; he does not tremble; she always sees the same gallant gentleman who won her heart and hand. I like to think that love is eternal."*

## KIWANIS - U C S BOOSTERS - PEOPLE HELPING PEOPLE

*The highest works of human skill and human thought outline through ages the creatures that produced them.*

**GUEST REGISTER:** Frank Wilber introduced Dave Joseph, of Battle Creek, Michigan. Pres. Wolf gave him an anniversary flag to take back to his home club. Jim Luhrs introduced George Maybanks. Russ Mueller introduced Larry Wichmann. Ray Vaughn introduced Vern Holland and John Perry.

In addition to our guests this week we also enjoyed the smiling, though slightly unfamiliar faces of Don Aanestad, George Seyfer, Ernest Kosek and Big Jim Corell.

**ANNIVERSARY SONG!** We serenaded two great Kings today. They are both great swingers - one plays golf, too.

Mr. Eddie C. Nelson September 22, 1948

Mr. William L. Chadima September 26, 1963

**PROGRAM FOR SEPTEMBER 30, 1970** Mr. Peter Stamats, of Cedar Rapids, will show and tell, in blazing color, about his unique, fascinating and dangerous epic adventure during a six week trek across the uncharted Sahara desert earlier this year. It is a story of man versus nature in her most primitive form. Part of the story is hardship in the raw; and there is involved real family courage inasmuch as this was a family adventure.

Come and bring your friends - this program is a "John Palmer Production" on behalf of the membership committee.

**TO: TONY PLEUNE** Here are a hundred plus "Happy Hi's" from your club friends - and as many wishes and prayers for a quick recovery from your present illness. Dr. Fenner told us about your favorite nickname - "Apple Andy", and how that came about. You are, indeed, a great man in our midst -- we thank you for giving us untold courage and inspiration every day.

**THOUGHT CORNER** As we embark on our new Kiwanis year, let us hitch our new wagon to another star. In a way the summary of human achievement up to now, and the inspiration for the future for us all, is emulated in this thought of hitching to a star. I think every forward step, every advance of humanity, is the result of some dreamer with boundless courage whose eyes, mind and heart were fixed on some star and who constantly worked and looked into the future. Kiwanis represents true fortitude; Kiwanis stands for opportunity and we rise every morning eager to meet and win new battles; Kiwanis is resolutely minded and we work with prayerful efforts; Kiwanis, in our world, stands with a steadfast heart and I am certain we will all continue to provide an independent spark as we move into the future. Kiwanis is destined to help keep it bright!

*The best way to realize the pleasure of feeling rich is to live in a smaller house than your means would entitle you to have.*

*Knowledge of the law is like a deep well, out of which each man draweth according to the strength of his understanding.*

*Remember, Queens, you are our daily inspiration but, - "Do you suppose it's only coincidence that man's best friend can't talk?"*

K I W A N I S - GOODBYE PRESIDENT WOLF! HELLO PRESIDENT LUHRS!

*A little work, a little play  
To keep us going - and so, good-day!*

*A little warmth, a little light  
Of love's bestowing - and so, good-night!*

*A little fun, to match the sorrow  
Of each days growing - and so, good-morrow!*

*A little trust that when we die  
We reap our sowing! and so - good-bye!*

-- George L. Busson Du Maurier

## GUEST BOOK:

Frank Race introduced Mr. Max Daehler; Robert Armstrong introduced Mr. Dean Metcalf; and Dick Landis introduced two guests - Mr. Robert Butterfield and his dad, Mr. Russell Landis.

## MEMO FOR NEW COMMITTEE CHAIRMEN AND ASSISTANT COMMITTEE CHAIRMEN

President-elect Luhrs respectfully requests your presence next Monday evening - 7:30 p.m. at the office of Secretary Bob Birr - AAA World Wide Travel Service - 517 - 4th Avenue S.E.

Purpose of the meeting is mainly to distribute and discuss Kiwanis materials for the coming year - and also will be for an informal, get-acquainted session for the new chairmen.

## TONY PLEUNE:

Your gang of Kiwanian friends were sorry to hear you are still at St. Lukes, Room 436, and we all wish you well. We stand beside your door, Tony, and our prayers are for you to win another precious chance to grow strong so you can soon return home - and return to us.

Tony, to us you are true fortitude; you are tops in patience and enterprise; you truly represent firmness and strength of mind, heart and body; you show us what is possible through prayerful effort; you show us how to move toward better things and how to risk our energies to reach good causes; you are the epoch-maker of our time; you represent impregnable courage and over the years your courage and spirit has greatly enriched our environment in Cedar Rapids; and we are grateful to count you as our good friend. Thank you for helping and encouraging us to live manfully in the real spirit of Kiwanis.

## C. R. FAHRNEY

Where are you? We have reports that you are both "in St. Lukes Hospital" and "at home." We hear you are "readying yourself" for an operation. Is that correct? As Dick Landis sez: "It is a terrible situation when a fellow has to "get well" to "get sick." Anyway, keep us posted as to your correct address.

## PROGRAM FOR OCTOBER 7, 1970

President Forest Wolf will turn over the gong'n gavel to President-elect James Luhrs. The new officers, Directors, and Committee Chairmen will give us their plans for the 1970-71 year.

## THOUGHT FOR TODAY:

Sound judgment from a clear, sober mind is ever like the light of a shining star -- it always penetrates through the clouds sooner or later.

## A SPECIAL THANK YOU

Inasmuch as this Bulletin is my final assigned edition I wish to thank each of you for this great opportunity. It has been a rich experience. Your new editor, I understand, will be introduced next week along with our new officers. That's thirty.

TO KIWANIS KWEEENS: We are near the threshold of another year - we Kings have many fond memories with you as the center of our hearts. Thank you evermore for your praise and faith in us as "We Build." We love you!! Have a wonderful week!

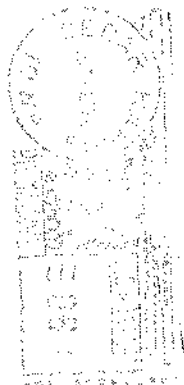

WE  
BUILD

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa  
a place to grow

October 9, 1970

## PROGRAM

Last week - October 7 - Induction of Officers. Lt. Governor Ralph Mills of Marion presided over the induction of officers. President Jim Luhrs charged chairmen Russ Mueller and Dick Landis with the goal of making this a record year for membership.

## THIS WEEK

October 15 - How's Your Heart? Dr. Thomas McIntosh, for the Cedar Valley Heart Association, will present a film, "Risk Factor" and give each member a chart to analyze his heart "risk factor". Questions and answers will follow. *(Last time we did this Jim fainted)*

## INTERCLUB

Last week the Marion club was represented by 7 members other than the Lt. Governor. A good turn out for an inter-club and we enjoyed having them with us.

## BOARD MEETING

Tuesday, October 14. The monthly Kiwanis Board meeting will be held October 14 at the Roosevelt Hotel. All members are welcomed. This is where the action is (or should be).

## A PROJECT

There are people in need and problems to be solved in Cedar Rapids today. Conceive a plan of action, get some Kiwanians to pledge help to organize it and submit it to the Board of Directors. This is the way projects are born.

## IN MEMORIAM

This week the Kiwanis Club lost a most highly respected and loved member. A. T. "Tony" Pleune passed away October 12, 1970 after an extended illness at the age of 93 years.

"Tony" served Kiwanis and his community loyally and well. He joined this club in 1921, was its president in 1936 and served as its secretary for many years. Since 1932 he had a perfect record of attendance.

For many years he supervised the Kiwanis Youth Fund which provided eye and dental care to thousands of needy children.

At his retirement in 1947 "Tony" pledged that he would "wear out and not rust out". He made good on this pledge.

He served on the ration board during the World War II, he managed Camp Good Health for 17 years, served on the Sunshine Mission Board 30 years, and the city's Recreation Commission for 15 years. He was active in many other community organizations including distinguished service as a member of Central Park Presbyterian Church. In 1948 he received the Community Service Award from the Chamber of Commerce Young Men's Bureau.

We have all been challenged and inspired by "Tony's" loyal, dedicated and unselfish service to others. May we all pledge that the community will not remember the loss of his passing but the gain of our living in our memory of him.

## PROGRAM

October 21st - three inmates from Iowa Men's Reformatory in Anamosa, members of the "Phoenix Group", will relate their personal experience in the use of drugs. Bring a guest.

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa  
a place to grow

October 31, 1970  
Vern Perry, Editor  
395-2511

THIS WEEK - November 4, 1970

Division Lieutenant Governor, Ralph Mills of Marion, --frequent unofficial visitor-- will make an official visit to the Club and present the program. (Hope the Secretary has turned in the annual report!)

LAST WEEK - October 28, 1970

Joan Lipsky, a candidate for reelection to the State Legislature, discussed---"State Government and Its influence on the Quality of Our Lives". Mrs. Lipsky feels that at state level we can exert some influence! In the brief period allocated to her part of the program, she discussed her experiences as a member and as a chairman of legislative committees established to investigate the Medicaid program. She feels that adequate controls have now been established at state level to prevent a recurrence of the fiscal problems so prevalent in the early stages of the program. But she warns, our problems are not over! Imaginative planning and capable direction of this and similar programs will be required if the cost is to be kept within the taxpayers ability to pay. Duplication of facilities and services must be reduced. What other suggestions do you have? Tell it to your legislators at the polls and in person.

## GUESTS

One who needed no introduction, Kiwanis Division Lieutenant Governor Ralph Mills of Marion.

R. Wayne Tooman, Kiwanis International Field Service Representative since 1967 of Muscatine, Iowa. Wayne was on an air tour of Clubs ranging from the northern extremity of the Canadian Northwest Territory down thru Saskatchewan, Manitoba, Minnesota and Iowa. Kiwanis growth hit a plateau in 1965. Wayne asks that all of us put forth extra effort this year to get the organization off dead center and growing again.

## COMMITTEE REPORTS

Membership Welfare-- Frank Wilbur reports that C.R. Fahrney and Eddie Nelson are patients in St. Lukes Hospital---and that Burt Hynden has had surgery but is now recovering at home. Don't wait until "it is convenient". Stop in soon and bring these fellow Kiwanians a few cheerful words from the outside.

## FIFTY YEARS

*In honor of the fiftieth Wedding Anniversary of Bill Franey and his Queen Ernestine, their son Dr. Wm. E. Franey and daughter, Mrs. E. O. Williams cordially invite you to a reception Sunday, November 1st, 1:30 until 4:30 PM at the Roosevelt Hotel.*

## THIS WEEK - NOVEMBER 11, 1970

Dr. Joseph E. McCabe, Chancellor of Coe College, will speak on a subject which few of us understand but none of us can afford to ignore. His topic... "The River of Student Unrest". Dr. McCabe has had a long association with the academic community, both in this country and abroad. Hopefully he understands our young people better than we do!

Dr. McCabe is a native of Pennsylvania. Presently Chancellor of Coe College, he was President of Coe from 1958 to 1970. Dr. McCabe earned five degrees, including the PH.D., at the University of Edinburgh, Scotland. His professional organization affiliations include---Member of the Admissions Committee, College Entrance Examination; Fulbright Selection Committee of Iowa; Past Chairman of the Board of Directors, The Associated Colleges of the Midwest; Past President, Presbyterian College Union; Chairman, Legislative Committee, Iowa Association of Private Colleges and Universities; Chairman of the Board, Beirut College for Women, Beirut, Lebanon.

## LAST WEEK - NOVEMBER 4, 1970

Division Lieutenant Governor Ralph Mills discussed the KIWANIS organization, its mode of, operation and goals. Many of us have a much better idea how we fit into that conglomerate international organization. The International President Elect is from Algona, Iowa! A net increase of four members per club doesn't seem like an unreasonable goal, but how about this goal of one new club per Division this year? Anyone for a breakfast club? Or can we help the High Schools and Colleges organize clubs? Ralph asks that we try.

In conjunction with the Drug Alert education program, KIWANIS is negotiating for and plans to equip and staff a mobile unit to bring the story to the people. Each Division will have the unit for a month, providing a rare opportunity to serve by scheduling programs and displays at strategic points thruout the communities.

The second goal of the KIWANIS for the current year----Improvement of the Quality of Life--and Ralph's comments concerning pollution and his habit of "policing" his camp sites, really struck a responsive chord in this writer.

My spring tends to get wound a bit too tight during the week in the office. For several years I have, whenever possible, spent several hours each weekend with camera on "nature walks" in our wonderful county and state parks. Oh yes, I shoot a few pictures, but my real take is between ten and twenty-five cans and bottles per hour of hiking! How about following Ralph's suggestion and doing your bit? He and I are losing ground! The polluters are gaining on us!

### THIS WEEK ---November 18, 1970

United States Senior District Judge William J. Jameson of Billings, Montana will speak on "Standards for Criminal Justice". Judge Jameson is Chairman of the Commission for the Uniform Administration of Criminal Justice. He succeeded Justice Burger when Burger was appointed Chief Justice.

I hope that Judge Jameson can assure us that something is being done to reduce the time required to bring the accused to trial and, if convicted, make the conviction stick and the criminal pay for his crime. Many of us---apparently, including our last Wednesday's speaker, Dr. McCabe---have the feeling that the permissiveness of many of today's parents has permeated the hallowed halls of justice!

This is a return engagement for Judge Jameson. He and Mrs. Jameson are on their way to Washington, D.C. and are stopping off in Cedar Rapids to spoil their two granddaughters, daughters of Program Chairman Bill Jameson and wife Sue.

### LAST WEEK----November 11, 1970

If you didn't attend the meeting on Wednesday, November 11, about all I can do is feel sorry for you! Dr. McCabe gave us so much food for thought that a paragraph or two can't do his presentation justice.

Dr. McCabe sees no simple or quick solution to the problem of student unrest. The causes are many and varied, and not all new. The natural rebellion of youth coupled with the lack of discipline under which he has been reared results in an explosive mixture. Dr. McCabe feels that not all expressions of protest are without merit, however. We should observe and listen. He agrees with the students' contention that the Universities and Colleges have often been moulded to suit the whims of the staff, not to serve their customers the students, and that our involvement in the Vietnam War is a mistake.

Dr. McCabe believes that much good will come of the dissent on campus but he has no patience with the violent, criminally-inclined rabble rouser. A crime is a crime, whether it is committed on campus or off---and should be treated as such.

### GUESTS

Five members of the KIWANIS Club of Williamsburg, Iowa attended the November 11 meeting and presented the Traveling Podium to President Jim Luhrs.

Ray Wilshere of the National Sanitation Institute, Cincinnati, Ohio office.

Former Cedar Rapidsian Colonel Forrest Rittgers of Washington, D.C.

Harold Still of Armstrong's and the Big Ten Officiating Staff.

Robert Hess, Superintendent of the Marion Waterworks, a Past President of the KIWANIS Club of Marion.

### BOARD ACTION

Approved a motion that the Youth Fund be renamed the A.T. Pleune Memorial Youth Fund....

Approved a plan to make financial aid available to needy pre-school children who require eye care....

Approved the Treasurer's report which showed, at the end of October, \$1,293.66 in the General Fund; \$1,571.49 in the Gum Ball Youth Fund and \$233.83 in the Marshall Fund....

Requested that Al Gravelie submit the Tony Pleune story to KIWANIS International....

Changed a policy---The Wednesday before Thanksgiving, members are encouraged to invite the ministers of their churches (and pay for his lunch). The Club will no longer issue the invitations to the Clergy and pick up the tab for the pre-Thanksgiving meeting....

Recommended that Ed Colton organize a committee to develop a project plan to get the club actively involved helping to solve the environment pollution problem.

### COMMITTEE ACTIVITIES

Dick Landis advises he has formulated a plan to "encourage" members to attend who consistently fail to "show" at the Roosevelt on Wednesday noon.

Jim Downing reports that arrangements are being made to provide drug information pamphlets to the Joint County School System.

Ed Colton and Ralph Drescher are making arrangements to set up the administration of the Ed Bruns Memorial Fund.

Al Gravelie will have five hundred statements of welcome/KIWANIS information sheets printed and made available to new residents of Cedar Rapids.

### NEW MEMBER

Robert Butterfield. Glad to have you with us, Bob.

### POLLUTION

43 cans and two bottles during three hours of hiking last weekend. Anyone match it?

## THIS WEEK - NOVEMBER 25, 1970

Roosevelt Hotel--The Cantata Singers. Founded in 1964 by Dr. Rosella Duerksen, the group consists of approximately thirty persons interested in studying and performing major Classical and sacred Choral Music. The group presents a minimum of two concerts each year and has made television appearances and sung with the Cedar Rapids Symphony Orchestra. This year, the Singers will appear with the Symphony Orchestra on December 7.

Dr. Allen Keller, Chairman of the Music Department of Coe College, has been the Director of the Singers since September, 1969. The program on Wednesday will include select traditional songs and Christmas music, presented by a core group from this unique choral society.

## LAST WEEK

Judge Jameson assured us that the Committee for the Uniform Administration of Justice is making progress formulating Standards which will transform the judicial process from the "cracker barrel" to the "supermarket" mode of operation. However, it appears that the changes will come slowly. As the Judge points out, after his Committee's approval of the Standards, State Legislature and/or State Court action may be required before the new procedures can be implemented. Thirteen of seventeen Standard procedures have been prepared and approved by the Committee to date. The Committee consists of fourteen members--lawyers, judges, professors of law, etc.

We think we have a problem! Judge Jameson reports that the courts in cities such as Washington, D. C. and San Diego have such an overload of drug and other criminal cases that the courts just don't get to the civil cases. He presided over a civil case in San Diego recently, the first to be tried in many months.

Did you realize?

That 70% to 90% of the accused plead guilty?

That the number of cases involving the violation of an individual's constitutional rights has increased from 89 in 1940 to 12,000 in 1970? (It has been said that the question now is not whether the accused is guilty, but whether his constitutional rights have been violated!)

The Administration of Justice, a fascinating subject. Too bad we didn't have more time to spend with Judge Jameson.

## NEW DIRECTORS

Blake A. Garske and Norril A. Rogness were elected to the Board of Directors of the Downtown KIWANIS at the November 18 meeting.

The election of these two new directors completes the complement of Officers/Board/Committees for 1971. A complete list will appear in the next issue of the Bulletin.

## ED BRUNS FUND

Ralph Dresher reports that \$1,066 has been turned over to Ken Hovenstot for the Ed Bruns Memorial Fund. As you probably are aware, the Fund will be used to help talented, needy, Eastern Iowa students further their education at the Chicago Art Institute. The Bruns family and the Downtown KIWANIS Board will select the student. If you have a candidate, submit his or her name to Ralph Dresher.

## DON'T FORGET

To invite your pastor to the November 25 meeting. His lunch is on you!

INCORPORATED

## WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

November 27, 1970  
Vern Perry, Editor  
395-2511

### THIS WEEK---December 2, 1970

Roosevelt Hotel---Ed Bock, Treasurer of the Geneva Corporation; Darrell Schumacher, President of the Rinderknecht Construction Company and Ray Hueholt, Architect and Partner in the Des Moines architectural firm, Smith, Voorhees, Jensen discussing the Cedar Rapids Geneva Tower---Conception to Completion. The presentation will include a review of the planning which went into the project prior to ground-breaking; unique architectural and constructional features; schedule for completion; tenant qualifications; rental fees, etc.

### LAST WEEK

The Cantata Singers. Christmas music at its best. Fifteen artists under the direction of Dr. Allan Keller, Chairman of the Coe College Music Department gave us a most delightful introduction to the Holiday season.

### NEW MEMBERS

Very glad to have you with us---

Frank Bedell  
Robert Butterfield  
Kenneth Drisch  
Vern Haalund  
Stephen Root, Jr.  
Lawrence Wichman

Russ Mueller performed the indoctrination ceremony with dignity and dispatch.

### MEMBERSHIP DRIVE

Membership Committee Chairman Dick Landis kicked off the drive for members with a new twist. Sponsors of the newest members-Colton, Isett, Landis, Mueller, Parker and Vaughn--were handed new KIWANIS pins. Dick then asked these men to select victims from among the cringing members who were in attendance. The "victims" were thus given the assignment to recruit new members. The induction of these six new KIWANIANS is scheduled for February 17th!

### ECOLOGY COMMITTEE

Chairman of the Ecology Committee Ed Colton, Arnold Herbst, Jim Rasley and your editor met at the Spring House at dawn on Monday, November 23 to discuss the Downtown KIWANIS participation in the anti-pollution program. (Early bird Jameson chickened out. Says his Toyota wouldn't start!)

It was decided that we should learn more concerning the KIWANIS International's program on anti-pollution, particularly what literature they have available and can provide. Ed has written for this information.

Next meeting of the Ecology Committee---Tuesday, December 1, 1970, 7:30 A.M. at the Spring House.

### DRUGS-B.S.

Des Moines, Los Angeles, Philadelphia and Providence, N.H. have been selected by the Boy Scouts of America for "Project Reach", a pilot program of preventive drug education. Wonder how the KIWANIS can help? Fits right in with one of our goals for 1971.

### PROGRAMS---December, 1970

December 2--"The Geneva Tower" by Bock, Schumacher and Hueholt.

December 9--"The Stubborn Mystery of Hearing" by Darrell Feakes,

## WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa  
a place to grow

December 3, 1970  
Vern Perry, Editor  
395-2511

THIS WEEK--December 9, 1970

Roosevelt Hotel--"The Stubborn Mystery of Hearing" with Audiologist Darrel Feakes of the St. Lukes Hospital Staff. Audiology is loosely defined as the science which provides data to help the doctor diagnose the hearing problem. Mr. Feakes will describe and discuss the various types of hearing problems and the methods utilized to make the measurements in the sound-proofed, controlled environment of the laboratory at St. Lukes.

### LAST WEEK

KIWANIANS Bock and Hueholt and Rotarian Schumacher briefed us on the Geneva Tower from the ground up. Construction at the Northeast Iowa Presbytery-sponsored Tower began July 1, 1970. Completion is scheduled for November, 1971, although Darrell Schumacher advises that the Rinderknecht Construction Company hopes to beat that schedule by several months.

Detailed design and construction has progressed at a rapid pace since the government red tape hurdles were cleared. Ed Bock said that at times the team felt that they would never get to the point of actual construction. There seemed to be an insurmountable mount of paper problems to overcome. But, obviously, even in his mind these problems are beginning to fade as he watches the concrete tower take shape.

After Schumacher moves his 8' by 26' gang concrete forms and his 117 foot crane away during the summer or fall of 1971, the second stage--making the Tower a "home" for some 250 of the elderly--will begin. The Tower will include 192 apartments--132 efficiency units and 60 one bedroom units. To be eligible one must be at least 62 years old, be physically mobile and meet certain income requirements. Tentatively the apartments are priced to rent at \$98.00 for an efficiency and \$112.00 for the one bedroom configuration. If it turns out the Tower is not tax exempt, the rental fees will have to be increased approximately \$20.00 per apartment.

Plymouth Place in Des Moines was designed by the same architectural firm, has the same number of floors (13) and the same number of apartments (192). There the resemblance ends. Plymouth Place is round and is located in a residential area. The selection of the downtown site for the Cedar Rapids Geneva Tower did not just happen. It was planned that way. It is felt by those responsible for the project, that the occupants will appreciate the ready access to shopping, entertainment, bus transportation, etc. Space will be available on the first floor for a grocery store and a coffee shop. Obviously the project fascinates me. I've rambled on. I can't stop. But I must!

### GUESTS

Rich Chandler--guest of Don Isett.  
Reverend Penny Nickols--guest of Al Gee.

### ANNIVERSARIES

Clarence Fenner joined November 30, 1933.  
Wayne Mead joined December 1, 1961.

Fred Kluss joined December 1, 1963 (2nd time around). Fred admits to having initially joined the Cedar Rapids KIWANIS in "either 1928 or 1929". During a recent program marking the anniversary of the Club, it came to light that Fred had been a strong motivating force during a period in its history when it appeared the Cedar Rapids KIWANIS might go under!

### POLLUTION

Speaking as a member of the Downtown KIWANIS Ecology/Anti-pollution Committee--This anti-pollution business is really getting competitive! Anti-pollution wherever one looks! But what really hurts, now we've been "scooped" by one of our own. To quote the Store of Distinction's recent ad in the Cedar Rapids Gazette---"Armstrong's High School Fashion Board Sincerely Acts to Visually Encourage all Cedar Rapids Citizens to properly store their garbage and trash by using waterproof plastic bags." (My wife and daughter picked up our quota of free bags.) Thanks, Bob.

But concerning the Committee's activities---Our next meeting is scheduled for Monday, December 7, 7:00 A.M. at the Spring House.

Frankly, we really aren't worried about the competition getting ahead of us. We think that there will still be pollution by the time we get going! As proof, my take last weekend (five hours on the nature trail) was 4 bottles and 78 cans picked up in three parks. Wish I had more competition!

### NEXT WEEK---December 16, 1970

LADIES DAY---The Washington High School Concert Choir under the direction of Charles Ashford with a program to get us in the proper mood for the hectic time known as "The Christmas Season."

If you haven't invited that gal in your life to have lunch with you at the Roosevelt next Wednesday...do it now!

### BOARD MEETING

It must be your magnetic personality, Jim. All nine Board members and several Committee Chairmen attended Tuesday's Board meeting. President Luhrs was overwhelmed!

Ralph Mills attended the Board meeting. He appeared to be satisfied with what he saw and heard. Obviously this wasn't a social call!

To expedite handling at future Board meetings, President Luhrs asks that all proposals with pros and cons be submitted to him prior to the Board meeting. The "prior" means several days or a week before the meeting--not in the hall on the way to the meeting room!

Slight-of-hand artist Landis almost had Ed Colton convinced that either he hadn't purchased a luncheon ticket or had lost it. Just a warning fellows---Dick has a mighty light touch.

### COMMITTEE ACTIVITIES

Beginning as soon as the plan can be organized---one Committee Chairman will be asked to take the stand on a Wednesday noon to report on his committee's activities. Ed Colton will provide a schedule which will be published in an early issue of the Bulletin.

### LOST

During the Board meeting last Tuesday, Forest Wolf submitted his resignation from the Downtown KIWANIS. Forest is leaving Cedar Rapids to become manager of Quaker's new new-product plant in Danville, Illinois. The Downtown KIWANIS will miss you Forest. But, if you must go, we wish you the best of luck in your new assignment. Stop in some Wednesday noon.

### NEW MEMBERS

Glad to have you join us--  
Rick Chandler  
Lew Eells  
Jim Lloyd

### WINTER CONFERENCE

Omaha, Nebraska---Saturday and Sunday, January 30 and 31; the New Towers Motor Lodge.

### HAWAIIAN HOLIDAY

The KIWANIS Club of Albert Lea, Minnesota is promoting a February trip to the islands. \$349.00 for "8 days of sun and fun." Why don't you go---because if you do, the Club will get ten bucks out of the deal!

### OFFICER/COMMITTEE LIST

Bob Birr promises that the copy for the back page of the Bulletin listing the Officers and Committees will soon be ready for the printer.

### CHRISTMAS PARTY

December 23---the Works! Santa, gifts, the Stripling Puppeteers, a special youngster-style lunch for the little folks. The party really isn't for you but you may be needed to control the enthusiasm of your guests.

Bill Jameson asks that you give him a call to tell him how many guests you plan to bring. Call him at home---366-1370 or office---395-2160. He needs a head count.

THIS WEEK-----December 23, 1970

Roosevelt Hotel--Here's what you have been waiting for---the Christmas Party!

If you haven't told Bill Jameson how many children, grandchildren, great grandchildren and friends you are bringing to the Wednesday noon luncheon, please give him a call no later than Tuesday morning. Bill Jameson - Home, 366-1370; Office, 395-2160.

A youngster-style lunch of Hamburger, French Fries, Milk and Ice Cream will be available for \$1.25. The normal Roosevelt fare (\$2.50) will be available for the larger-sized guests. When you call Bill, tell him which meal you want to order for your guests. (Santa will plan his bag of goodies based upon the number of hamburger lunches ordered).

Norrill Rogness has graciously agreed to give out with the old Ho! Ho! Ho! and thrill the kiddies with a reasonable facsimile of ol' St. Nick.

To top things off, the Stribling Hand and Glove Players from Dubuque will be on hand to present an original, "The Christmas Knight". The story takes place during the days of King Arthur. The plot thickens-----Santa is being held captive; one of King Arthur's knights is assigned the task of rescuing the old boy; in truly knightly fashion, Santa is sprung and rejoins his gang just in time to make it like a Merry, Merry Christmas!

The Striblings, Don, Lauretta and son Barak manipulate the puppets. Don is currently teaching at Loras College. The family lived in Cedar Rapids for twelve years with Don teaching speech and drama at Regis High School and Mt. Mercy College.

Don's students from Regis took many state honors in debate. And Lauretta is truly a wizard with the paint pot, paper, cardboard, a few boards, nails and hammer and saw. The stage scenery, backdrops, etc. that she built for some of Don's productions would make a pro turn green with envy. Barak has been exposed to this sort of thing since he was a toddler. No doubt some of it has rubbed off on him. I'm betting "The Christmas Knight" will be a first-rate production!

## LAST WEEK

Being no Les Z., I'm not going to try to give you a critique of the program by the Washington High School Concert Choir---but even I knew that I was listening to an outstanding performance by a talented group of young men and women. Seventy-two of them! Personable Director Charles Ashford provided the guidance and apparently brings out the best in his charges. Al Gravelle, we appreciate your arranging for this fine program of Christmas music for our Ladies Day luncheon. For those of you who weren't there, you missed another good one!

## GUESTS

Wouldn't say that our Ladies Day was a howling success---however, the wives of some dozen members were in attendance last Wednesday, giving the normal drab KIWANIS luncheon meeting a welcome touch of color and freshness. Glad you could be with us ladies---even if you didn't "get" Bob Birr's jokes. You weren't the only ones who missed the punch line!

Russ Prince--guest of Don Isett.  
Glen McIntyre--guest of his Dad, Charles McIntyre.  
Gene Marner--guest of Dan Schwitters.  
Minor Barnes--guest of Bryce Fisher.

## ANNIVERSARIES

Frank Bedell---December 17, 1969  
Don Harlan-----December 19, 1962  
Don Isett-----December 16, 1942  
John Knapp-----December 15, 1965  
Ron Moore-----December 15, 1965

## THE TIME TO GIVE

Let's show our appreciation to the cooperative, pleasant women who have been putting up with our cantankerous moods each Wednesday noon during the past year. Come prepared to part with some of that green stuff on Wednesday. If you can't be at the meeting the 23rd, Jack Kennedy will be glad to take your contribution and see that it gets to the right people. Strictly voluntary, of course!

## WEEKLY NEWS BULLETIN

ROOSEVELT HOTEL WEDNESDAYS 12:10 NOON

Iowa

a place to grow

December 24, 1970  
Vern Perry, Editor  
362-1269

### THIS WEEK--December 30, 1970

Roosevelt Hotel--"Air Pollution in Cedar Rapids" by Mrs. George Wirth, Environmental Quality Chairman, League of Women Voters. Mrs. Wirth will discuss the status of Cedar Rapids antipollution program and the plans for the future and point out what we, as concerned citizens, can do to help promote the clean air program.

As always, the League of Women Voters' goal is to encourage all citizens to participate in formulating the policies of their government. The League is non-partisan, doing whatever it can do to bring issues to the attention of the voters to try to assure thoughtful, considered action on matters affecting our government and our lives.

### LAST WEEK

A Bouquet of Poinsettias to Program Bill Jameson for arranging such an excellent Christmas program. Some 48 children, grandchildren, greatgrandchildren and friends of members attended the affair. It was indeed a pleasure to attend a party with such a well-behaved group of fine young people. (I take back what I have implied about these same young people having permissive parents!)

The Stribling Hand and Glove Players presentation "The Christmas Knight" was a most entertaining, professional and enjoyable performance. The revoltingly lovable dragon obviously was the favorite of young and old alike. Although, one young miss was overheard telling her Dad that she was "afraid the alligator would bite her".

Santa Rogness, truly looking and acting the part to perfection, arrived on schedule with his bag of goodies, to cap a most enjoyable Cedar Rapids DOWNTOWN KIWANIS Christmas preview party.

### ANNIVERSARY

F. William Franey

December 21, 1949

### COLLECTION

A fine response---\$179.00 collected; a \$29.00 Christmas present for each of the fine ladies who serves us lunch at the Roosevelt on Wednesday noons.

### WONDERS

Wonder if the Committee Chairmen have news of their Committee's activities to report. You will recall that there was a plan afoot to have a report by one of the Chairmen every other week. Wonder when we can publish the schedule?

Wonder if the new backup copy for the Bulletin---List of Officers, Committees, etc.---will soon be ready for the printer.

### CHANGE

In case you want to call and give me a bit of news--or complain about something which has appeared in the Bulletin--please note the change in the phone number. Your editor was recently "given the opportunity to take advantage of the early retirement plan", and as no alternatives were offered, I'm retired. 362-1269 is my home phone number.

## COMMITTEE REPORTS

Due immediately.

## BOARD MEETING

Note change in sked. President Luhrs advises that the Board will meet Monday Noon January 11--instead of Tuesday the 12th.

## LAST WEEK

A most informative discussion of the Cedar Rapids/Linn County/Iowa air pollution program by personable, informed and academically qualified Mrs. George Wirth of the Cedar Rapids League of Women Voters. Mrs. Wirth holds a BS Degree in Micro-biology and a MS in Bio-chemistry from the University of Minnesota.

Apparently the whole thing began in 1955 when Congress passed into law, legislation designating responsibility for anti-pollution with the National Public Health Service. In 1963 Congress passed the Clean Air Act. The Cedar Rapids City Council took initial action in 1964 to join the program. One of the first steps taken in Cedar Rapids was to set up air sampling stations at various locations in the city. (Can this be right? My notes indicate that we are being polluted from above with 19½ tons/square mile/month!)

Contrary to what many of us have assumed, Mrs. Wirth advised that Iowa Electric Light & Power, Penick & Ford, Sinclair-Wilson, Cargill, National Oats, Quaker Oats and the City Sewage Disposal Department are very much with it, doing everything economically feasible to reduce air pollution. The key phrase is "economically feasible." Economics become the controlling factor. The man-on-the-street who is whiffing all of the local individual and chemically-combined odors usually is not aware of what is involved in the removal of the components which go to make up the disgusting stench.

As an example--IE has installed precipitators in three of their smoke stacks at the Sixth Street Station. A precipitator is scheduled to be installed in one more stack. That is as far as they can go. Because of structural limitations, it is impossible to install precipitators in the remaining stack(s). IE has spent over \$3 million to date on anti-pollution!

In recent action--A well-instrumented Mobile Test Station has been added in Cedar Rapids to make field measurements of pollutants, including the airborne solids, odors and invisible pollutants. Kirkwood College is training Environmental Technicians. Local and State laws are being redefined and strengthened.

After hearing Mrs. Wirth's report, I'm impressed---but also concerned. Hope that some good old-fashioned horse sense will be used when all of these rules and regulations are enforced!
